

# Skip a Payment on your Car, Boat, or Signature Loan!

Just complete the information below and bring it to any **CAMPUS Service Center** before your payment due date.

**Don't need to skip a payment now?** Keep this offer and use it whenever you wish.

- Yes!** Please deduct a \$50 "skip a payment" fee from my savings account # \_\_\_\_\_ OR  
Savings account number
- Attached is my check for \$50

I wish to skip the \_\_\_\_\_ payment on my loan below:  
MM/DD/YY (form must be received by us before this date)

Vehicle/Boat/Express/Signature Loan: \_\_\_\_\_  
Account number including loan suffix

Note: Sorry, past-due loans, real estate, credit card and business loans, or loans with less than two payments made are *not eligible* for the skip-a-payment program. Currently modified loans or loans in bankruptcy filings are also ineligible. There is a \$50 fee for each qualifying loan on which you choose to skip a payment. A loan is not eligible if two payments have been skipped within a 12 month period. Borrower may not skip two consecutive payments on any loan. Additional requirements and restrictions may apply.

I understand that interest will continue to accrue on my loan during the skip period; skipping this payment will extend my final payment due date (increase my loan term) and increase the total cost of my loan. I acknowledge that the \$50 fee is a *finance* charge and will not be credited to my loan. My next payment (after this skip) will be due on my regularly scheduled due date, and my monthly payment amount will not change.
