- Yes!** please deduct a \$50 "skip a payment" fee from my savings account # _____ OR
 enclosed is my check for \$50

I wish to skip the _____ payment on my loan below:

MM/DD/YY (form must be received by us before this date)

Vehicle/Boat/Express/Signature Loan: _____

ACCOUNT NUMBER INCLUDING LOAN ID (SUFFIX)

Note: Sorry, past-due loans, real estate, credit card and business loans, or loans with less than two payments made are not eligible for the skip-a-payment program. Currently modified loans or loans included in bankruptcy filings are also ineligible. Only two payments may be skipped within a 12-month period. Borrower may not skip two consecutive payments on any loan. There is a \$50 fee for each qualifying loan on which you choose to skip a payment. Additional requirements and restrictions may apply.

I understand that interest will continue to accrue on my loan during the skip period; skipping this payment will extend my final payment due date (increase my loan term), and increase the total cost of my loan. I acknowledge that the \$50 fee is a finance charge and will not be credited to my loan. My next payment (after this skip) will be due on my regularly scheduled due date, and my monthly payment amount will not change.
